Predstava, ki jo je napisal Wajdi Mouawad, eden vodilnih sodobnih pisateljev, in režiral Ivica Buljan, eden najuspešnejših evropskih režiserjev z zvezdniško slovensko igralsko zasedbo, povezuje zgodbe svojih protagonistov v New Yorku, Berlinu in Tel Avivu. Vprašanja, ki jih želimo postaviti sebi in publiki, so: Ali je podedovanost definirana genetsko? Ali so spomini in pozaba enakovredni? Ali se odkrivajo in prenašajo družinske skrivnosti od enega potomca na drugega? Ali se jih lahko osvobodimo? Koliko generacij mora prevzeti krivdo za Auschwitz? Ali lahko kot ljudje in narodi živimo bratstvo, kot ga poznaajo rodovi ptic?

Play written by Wajdi Mouawad, one of the leading contemporary writers and directed by Ivica Buljan, one of the most successful European directors with all-star Slovenian cast connects the stories of its protagonists in New York, Berlin and Tel Aviv. It debates on several important topics: is heredity genetically defined, are memories and forgetfulness equivalent. Are family secrets revealed and passed down from one descendant to another, or can we free ourselves from them? How many generations must take responsibility for Auschwitz? Can we, as peoples and nations, live in a brotherhood as known to the genera of birds?

Kot številni preživelci holokavsta sta se Saul in Ruby preselila v Ameriko, osnovala družini in začela kariere, se postarala in se upokojila na južni Floridi. Pokoj bi lahko bilo zadnje poglavje v njuni zgodbi. Ampak odločila sta se, da bosta ustanovila skupino, ki igra klezmer. Poimenovala sta jo Skupina preživelcev holokavsta. Skupina prikliče grenko-sladke spomine na otroštvo na Poljskem, je pa več kot to, je praznovanje življenja.

Like many survivors of the Holocaust, after World War II, Saul and Ruby moved to America, started families and careers, grew old, and retired to South Florida. For them, retirement could have been the last chapter in their story. Then they decided to start a klezmer band, named the Holocaust Survivor Band. The band summons the bittersweet memories of childhood in Poland, but more than that, it is a celebration of life.

Rižarna, Auschwitz, Dachau, Kaufering in Leitmeritz so imena koncentracijskih taborišč, ki so za vedno ostala zapisana v spominu Stevana Savića (Alfreda Silbersteina), preživelca genocida, ki ga je v teh taboriščih med drugo svetovno vojno izvajala nacistična Nemčija. Stevan Savić se je rodil staršema judovskega rodu kot Alfred Silberstein leta 1911 v Djurdjenovcu na Hrvaškem. Imel je še starejšega brata Josefa in mlajšega brata Georga. Šolska leta je preživel v Sisku, kjer je bil njegov oče Arthur Silberstein solastnik tovarne tanina. Leta 1941 je diplomiral na Tehniški fakulteti v Zagrebu in postal inženir kemije. Zaradi pregona Judov s strani Neodvisne države Hrvaške se je že pred drugo svetovno vojno preimenoval v Stevana Savića, njegova družina pa je iz Siska pribežala v Ljubljano.

V sodelovanju s Posavskim muzejem Brežice, Sinagogo Maribor in gospo Estero Savič Bizjak.

Rižarna, Auschwitz, Dachau, Kaufering and Leitmeritz are the names of the concentration camps that will forever be written in the memory of Stevan Savić (Alfred Silberstein), who survived the genocide that has been committed by Nazi Germany in these camps during World War II. Stevan Savić was born to parents of Jewish descent as Alfred Silberstein in 1911 in Djurdjenovac, Croatia. He had an older brother, Joseph, and a younger brother, George. He spent his school years in Sisak, where his father Arthur Silberstein was a co-owner of a tannin factory. In 1941, he graduated from the Technical Faculty in Zagreb and became a chemical engineer. Due to the persecution of Jews by the Independent State of Croatia, he changed his name to Stevan Savić before the Second World War, and his family fled Sisak to Ljubljana.

NA LEPŠE / *SWEET THING*

režija / directed by: Alexandre Rockwell

dolžina / *running time*: 91 min _ leto / *year*: 2020 žanr _ *genre*: drama / drama
ZDA / USA

Film se osredotoča na življenje dveh otrok v sodobnem New Bedfordu v Massachusettsu nekega določenega poletja, ki sta ga preživela v hišici na plaži s svojo mamo in njenim partnerjem. Zgodba je intenzivna, ampak poživljajoča pripoved o otroštvu, ki zajame bistvo tistega časa, ko en dan lahko traja večno. Prijateljstva, zavezništva in izzivi pubertetnikov priženejo zgodbo do zmagoslavja otroškega upanja in vzdržljivosti.

Sweet Thing centers around the lives of two children in contemporary New Bedford, Massachusetts, in particular one eventful summer spent in a beach house with their mother and her boyfriend.

Story is an intense but ultimately uplifting, poetic rendering of childhood that captures the essence

of that time in life when a day can last forever. The friendships, loyalties, and challenges of adolescent youth propel the story into a triumph of childhood hope and resilience.

Igra / cast: Tadej Pišek

Zgodba o princesi, ki ji v kalni mlaki izgubljeno zlato žogico vrne žabec, v zameno pa želi princesino ljubezen, temelji na vedno aktualni temi sklepanja kompromisov. Sporočilo pravljice, namenjeno malim princeskam, kaže na možnost gledanja dogodkov z različnih zornih kotov, saj lahko včasih tudi v stvareh, ki se nam sprva zdijo grde, s potrpežljivostjo odkrijemo lepoto.

A story of a princess to whom a frog returns a lost golden ball, and in return wishes her love, is based on the ever-current topic of compromise. The message of the fairy tale, intended for little princesses, points to the possibility of watching events from different angles, because sometimes we can patiently discover beauty in things that seem ugly at first.

Film se dogaja neke usodne noči v klubu pristaniškega mesta Haifa in raziskuje prepletene zgodbe petih žensk. Prikazati želi sodobno življenje v enem zadnjih mest, kjer Izraelci in Palestinci vstopajo v osebne odnose.

Laila in Haifa is set over one fateful night in a club in the port town of Haifa and explores the interweaving stories of five women. The film aims to present a snapshot of contemporary life in one of the last remaining spaces where Israelis and Palestinians come together to engage in face-to-face relationships.

RUMENA ZVEZDA, RDEČA ZVEZDA: SPOMIN NA HOLOKAVST PO KOMUNIZMU

**YELLOW STAR, RED STAR: HOLOCAUST REMEMEBER-
ANCE AFTER COMMUNISM**

Avtorica / Author : Jelena Subotić

Rumena zvezda, rdeča Zvezda: Spomin na holokavst po komunizmu sprašuje, zakaj je spomin na holokavst še naprej tako globoko zaskrbljen - prezrt, prisvojen in zamegljen - po vsej vzhodni Evropi, čeprav se je prav v teh deželah zgodila večina iztrebljevalne kampanje.

Jelena Subotić je profesorica političnih znanosti na Georgia State University v Atlanti v ZDA. Je avtorica del Ugrabljena pravičnost: Ukvarjanje s preteklostjo na Balkanu (Cornell University Press, 2009), Rumena zvezda, Rdeča zvezda: Spomin na holokavst po komunizmu (Cornell University Press, 2019) in številnih znanstvenih člankov o identiteti, političnem spominu, in politike Zahodnega Balkana.

Skype presentation with author (Jelena Subotić, USA) and participants: dr Kaja Širok (moderator) with Robert Walzl, director of Jewish Cultural Center Ljubljana and Jelena Đurović, journalist, film critic, chairwoman of Organization for Jewish Cooperation in Southeastern Europe.

Yellow Star, Red Star: Holocaust Remembrance after Communism asks why Holocaust memory continues to be so deeply troubled—ignored, appropriated, and obfuscated—throughout Eastern Europe, even though it was in those lands that most of the extermination campaign occurred. Jelena Subotić is Professor of Political Science at Georgia State University in Atlanta, USA. She is the author of Hijacked Justice: Dealing with the Past in the Balkans (Cornell University Press, 2009), Yellow Star, Red Star: Holocaust Remembrance after Communism (Cornell University Press, 2019) and many scholarly articles on identity, political memory, and politics of the Western Balkans.

BESEDA, KI JE NIMAM A WORD I DON'T HAVE

Avtorica / Author : Nataša Konc Lorenzutti

Moderator: Neža Vilhelm

Beseda, ki je nimam je izjemno pretresljivo in hkrati napeto branje, ki spretno prepleta preteklost in sedanjost; temelji na skupku resničnih zgodb, ki so pregnetene v eno samo, ki je pred nami. Beremo torej leposlovno delo, roman, za katerim pa se skrivajo ure in ure trdega raziskovalnega dela, raziskav na terenu, intervjujev in študija. Prekaljena avtorica tako za otroke in mladino kot tudi za odrasle se nam tokrat torej predstavlja z romanom za odrasle in bolj ambiciozne (starejše) najstniške bralce. Sonjo prične po nonini smrti vznemirjati družinska zgodovina. Njena babica in njen brat sta namreč med vojno ostala brez obeh staršev, predvsem pa je usodnega dne, ko so nacisti ločili mame in otroke, izginila njuna mlajša sestra, takrat še dojenček. Nihče ni uspel odkriti, kaj se je z njo dogajalo in ali je sploh še živa, zato si to na svoja ramena naloži Sonja. Med raziskovanjem usode t.i. ukradenih otrok se sooči s številnimi vojnimi grozotami, sledi pa jo pripeljejo do različnih ljudi, tudi drugih ukradenih otrok, ki ji pomagajo s svojim spominom in pričevanji.

A book The word I don't have is highly shocking and, at the same time book that skillfully intertwines the past and the present; it is based on a set of true stories that are kneaded into the one that is before us. So we read a literary work, a novel, behind which are hidden hours and hours of hard research work, field research, interviews, and studies. The seasoned author, both for children and youth and adults, presents herself with a novel for adults and more ambitious (older) teenage readers.

After Nona's death, Sonja begins to be disturbed by family history. Her grandmother and her brother were left without both parents during the war, and especially on the fateful day when the Nazis separated the mothers and children, their younger sister, then still an infant, disappeared. No one could find out what was happening to her and whether she was still alive, so Sonja put it on her shoulders. While researching the fate of t.i. of stolen children, she faces many war horrors. The tracks lead her to various people, including other stolen children, who help her with their memory and testimonies. Sonja's personal story also takes place along the side.

MAUTHAUSEN – DVE ŽIVLJENJI

MAUTHAUSEN – TWO LIVES

režija / directed by: Simon Wieland

dolžina / running time: 70 min _ leto / year: 2020 _ žanr / genre: dokumentarec / documentary _ Avstrija / Austria

V filmu spremljamo zgodbi dveh ljudi v koncentracijskem taborišču Mauthausen. Stanisław Leszczyński se je rodil v Łódžu, v taborišču pa je bil kot jetnik, Franz Hackl iz Mauthausna pa je tam delal kot ključavničarski vajenec. Dve usodi ne bi mogli biti bolj različni, a vendarle imata številne skrb vzbujajoče podobnosti. Avstrijski režiser je na občutljiv in raznolik način prikazal dva protagonista in njuno soočanje z Mauthausnom, ki je pomemben simbol holokavsta, krivde in krutosti. Nastal je močan in ganljiv dokumentarec o človeškem in predvsem nečloveškem obrazu zločina.

The documentary MAUTHAUSEN – TWO LIVES records the story of two people situated in the Mauthausen Concentration Camp during the Nazi regime – Stanisław Leszczyński, born in Łódź, was there as a prisoner, while Franz Hackl, from Mauthausen, worked there as a locksmith apprentice. Two fates that could not have been more contrary – and yet they have so many disturbing things in common. Austrian director Simon Wieland managed to portray the two protagonists and their confrontation with Mauthausen, which is an important symbol for the Holocaust and thus for guilt and cruelty, in a sensitive and multifaceted manner. The result is a strong and moving documentary about humane and also, above all, inhumane behavior in the face of crime.

Devetletni Sinai bere fantazijsko knjigo in posluša grozljivo pričanje eritrejskega begunca, nato pa zaspi v mamini službi. Njegove misli odtavajo proč. Film se zdi preprosta zgodba, a se razvije v fantastično ekskurzijo v prečudovit otroški um in dodela našo sposobnost solidarnosti in sočutja.

With his eyes in a fantasy book and his ears to the horrific testimony of an Eritrean refugee, 9-year-old Sinai falls asleep at his mother's workplace, and his mind drifts away.

Our Hearts Beat Like War is a seemingly simple straight forward story that turns into a fantastic excursion into a kid's wondrous mind, refining our ability for solidarity and compassion.

dolžina / *running time*: 107 min _ leto / *year*: 2020 _ žanr / *genre*: igrani dokumentarec / *feature documentary* _ Nemčija, Švica, Italija / *Germany, Switzerland, Italy*

O čem bi Jezus pridigal v 21. stoletju? Kdo bi bili njegovi učenci? Kako bi se nosilci sekularne in duhovne moči odzivali na vrnitev in provokacije enega najbolj vplivnih prerokov in socialnih revolucionarjev v človeški zgodovini? Film se dogaja v južnoitalijanskem mestu Matera, kjer sta Pasolini in Gibson snemala legendarne filme o Jezusovem življenju. Režiser Milo Rau se z ekipo vrne k izvorom gospela in ga uprizori kot pasijon celotne civilizacije.

What would Jesus preach in the 21st century? Who would his disciples be? And how would today's bearers of secular and spiritual power respond to the return and provocations of one of the most influential prophets and social revolutionaries in human history? Set in the southern Italian town of Matera, where both Pasolini and Gibson shot their legendary films on the life of Jesus, director Milo Rau and his team return to the origins of the gospel and stage it as a passion of an entire civilization.
